September, 2017

It is my pleasure to welcome our students, parents and staff back to another great year at The Surfside School ~ PS 329...Our mission, to utilize our expertise to ensure that all of our students develop the self esteem, self confidence and leadership skills needed to become productive citizens is undying ...

Our 2017 school-wide theme, "I Am A Champion...", challenges all adults and students to recognize and embrace the champion within us...As we persevere through this school year, we will acknowledge that we can achieve our goals despite any possible obstacles...We will rely on our strengths with a belief that we have the power to be the best that we can be ...Educators will be "Champions" of teaching...Students will be "Champions" of learning ...Parents will be "Champions" of supporting their child's education.....

I have confidence that the 2017-2018 school year will be successful and with your continued commitment, I know that we will empower, inspire and elevate your children to their highest level of academic achievement...

I am looking forward to working with each of you as we continue to reign as, "Coney Islands Best Kept Secret..."

Sincerely!!!!...
