## Principals Message

November ~ 2020

It is my pleasure to welcome our students, parents and staff back to another great year at Surfside school ~ PS 329... This year, as in previous years, we will improve our efforts to provide our students with instructional experiences that are matched to their individual needs and interests...

Our mission to utilize our expertise to ensure that all of our students develop the self esteem, self confidence and leadership skills needed to become productive citizens is undying...

Our 2020 school-wide theme, "We Are Surfside Strong...", challenges all adults and students to embrace our inner strengths and recognize that despite the challenges of the COVID-19 Pandemic, by working together, we have the power to overcome all challenges as we strive to be the best that we can be... Educators are STRONG as teachers... Students are STRONG as learners ... Parents are STRONG as our partners in education...

I have confidence that the 2020-2021 school year will be successful and with your continued commitment, I know that we will empower, inspire and elevate your children to their highest level of academic achievement...

I am looking forward to working with each of you as we continue to reign as,

"Coney Island's Best Kept Secret..."

Sincerely!!!!...

Salema Marbury, Principal ~ PS. 329
