What's New

Academic Achievers Program

The after-school Achievers Program is a 10 week, fun filled experience where students participate in reading intervention through games, technology and interactive lessons. The intervention program focuses on five components of literacy: phonemic awareness, phonics, fluency, comprehension, and vocabulary. We are excited about their participation and look forward to their achievement!

Violin Program @ 329

Once again P.S. 329 is proud to announce the Surfside Strings Program! As participants of the program, 2nd~5th graders will learn how to read music.... compose songs... and play the violin! The program will begin in December 2019 after-school from 2:45 ~ 4:45 pm. We are anxiously awaiting their spring concert!
