### The Surfside Waves

The Surfside Waves track team was established, in October of 2018. Forty-seven students tried out, thirty-three students made the team. The allure of learning how to run fast, representing PS 329K, and the thought of going on field trips captured students' attention. On November 1, 2018, we took our first trip to Central Park to participate in our first Track & Field event held by RNYRR (Rising New York Road Runners) followed by RNYRR youth invitational at the TCS NYC Marathon on Sunday, November 4th. Both trips were very inspiring for the students; it gave them an opportunity to participate, compete, and belong to a lifetime sport; moreover, share the stage with elite marathon runners from all over the world by crossing the same finish

### Violin Program

Once again PS. 329 is proud to announce the Surfside Strings Program! As participants of the program, 2nd & 3rd graders will learn how to read music.... compose songs... and play the violin! students will participate on Tuesday afternoons from 2:45pm ~ 4:45pm.
