PRINCIPAL'S MESSAGE

September 2019

It is my pleasure to welcome our students, parents and staff back to another great year at The Surfside School- PS 329...Our mission, to utilize our expertise to ensure that all of our students develop the self esteem, self confidence and leadership skills needed to become productive citizens is undying...

Our 2019 school-wide theme, "Success Begins With Me..."challenges all adults and students to create an individualized definition of success...We will rely on our strengths with a belief that Success is learned, practiced and then shared...As we persevere through this school year, we will embrace the notion that Success is a Journey and not a Destination...Success begins with me...Success begins with you...Success begins with us...

I have confidence that we will achieve many accomplishments during the 2019-2020 school year and with your continued commitment, I know that we will

empower, inspire and elevate your children to their highest level of academic achievement...

I am looking forward to working with each of you as we continue to reign as,

"Coney Island's Best Kept Secret..

Sincerely!!!!...

Salema Marbury, Principal- P.S. 329
