

THE TASK... Your MISSION

You have a difficult job at hand. Your mission is to identify the 8 artifacts found below. You must record your findings...

Look at each item carefully...
What is it called?

What is it used for and how is it used?

What is its significance in Iroquois culture?

Take some time to look at each artifact before proceeding.

Please **X** out of this window when you have read the

DIRECTIONS for your **MISSION...**
