

# TIMELINE of \_\_\_\_\_

The image shows a timeline template enclosed in a large rectangular border. It consists of two horizontal lines. The top line has four empty circles positioned above it, and the bottom line has four empty circles positioned below it. There are also four empty circles positioned between the two lines, alternating with the circles above and below. Each circle is connected to its respective line by a short vertical tick mark. This layout provides a total of 14 empty circles for recording information.

Please write the Year on the lines and the Invention and Inventor in the circle.

Name: \_\_\_\_\_ Date: \_\_\_\_\_ Class: \_\_\_\_\_

Use your Inventors worksheet#2 to fill in the dates.
